Cohen Grassroots Research, Inc. is the Nation's Number #1 Micro Cap and Cannabis Research Firm  
IR Research Reports (1,000+) - Distribution to 100s of thousands of investors

### HOW TO MAKE MONEY IN THE MARIJUANA STOCK MARKET A LOOK AT JEFF SESSIONS

Personalities give us insight to policy.

Bill Maher called Jeff Sessions a "little Georgia Cracker".

Ever since Sessions became a public figure as AG, we have learned a lot about him.

I haven't seen him smile. Maybe he has and does.

Maybe the media portrays him purposely.

But not having a sense of humor or warmth conveyed to the America people is a concern.

It looks like Sessions got off the hook regarding his accused lying during confirmation.

Withdrawing himself from the Russia scandal speaks volumes about him in many ways.

His recent quote regarding a Federal Judge on an 'island' (Hawaii) being against Sessions also speaks volumes.

His reply explaining it away was that people didn't understand his sense humor behind it.

There was no humor intended. We have seen no humor from Sessions.

His comment speaks volumes for this man's personality.

The cannabis industry is faced with a rigid opponent of pot. Sessions is out to win the day and crush marijuana in all of its forms.

Recreational faces a long climb uphill. So does medical. The battle lines are now well drawn.
